

The Lexington Cancer Foundation's First Annual Hats for Life is a silent auction of new and gently worn hats. The hats can be worn for Derby, church, and more! It is a perfect way for friends to get together for night of fun, while supporting the Lexington Cancer Foundation's mission in the fight against cancer. Proceeds from this year's event will be designated to the Lexington Hope Lodge.

The event will be held on Thursday, April 10 from 5:30-8:30 pm in the Victorian Square Atrium in downtown Lexington, Kentucky. Tickets are \$30 per person, which includes parking, hor d'oeuvres and cocktails. Guest will be able to view elegant hats while enjoying live music and fashion shows by local Lexington boutiques.

About The Lexington Cancer Foundation, Inc.

The LCFI was founded in 2004 and is a non-profit organization whose philanthropic mission is to raise funds and awareness in the fight against cancer. We are also dedicated to improving the quality of healthcare for cancer patients. It is our vision to become a leading resource of funding and information to dramatically reduce the incidence and suffering caused by cancer. Our board is comprised of fifty passionate women who are committed to the mission and making the LCFI's vision a reality.

We are located in the Lexington Foundation Volunteer Center at the Lexington Hope Lodge. The Hope Lodge is a no cost housing facility for cancer patients receiving treatment in the area. The facility is owned and managed by the American Cancer Society. The LCFI contributed a large portion of the capital campaign for this facility, as well as, an addition \$750,000 in grants and pledges towards operations over the past three years.
